Haines Faculty Research Fellowships Awarded

The 2011-2012 Shirley Cundiff Haines and Jordan L. Haines Faculty Research Fellowships in English have been awarded to Dorice Elliott and Stephanie Fitzgerald. These fellowships of $4000 each are given annually to fund “research in preparation for an upcoming promotion.” Types of expenditures that might be covered include travel, a research assistant, or other forms of research support. Shirley Cundiff Haines (BA, 1948), a long-time supporter of the humanities and study abroad programs at KU, endowed the fellowships in a bequest following her death in 2009. Last year’s inaugural recipients of the fellowships were Frank Farmer and Iris Fischer.
